June 3, 2011

Dear parents of MUN students,

I'm really glad you are supporting your child's attendance at THIMUN Qatar. At this point, our school has officially registered for the conference. We have sent the form and registration money to the organisers. Thank you for submitting the registration payment in a timely fashion.

To ensure we get a cost-effective flight, we intend to book our tickets in the next two weeks. The flight is the major payment we anticipate for this trip, and will cost around 12 000 yuan. Of course, we will make every effort to find the least expensive flight. Any amount left from this payment will be applied to cover the hotel rooms. If it would be possible to submit a payment of 12000 RMB to Ms. Peggy Pan by Monday June 13<sup>th</sup>, we would appreciate this very much.

I have also sent an email to your son/daughter requesting their name as it appears on their passport and their passport number. I will submit this information to the travel agent at the time of purchase.

There will be two more payments related to this trip. They will both be due in August and we expect them to be no more 7000 yuan in total. These cover the hotel costs and the individual conference registration fees.

We are all really excited about going! We have already begun research and will be making a calendar to keep ourselves on task while preparing for this conference over the summer. If you want any more information or would like to see which issues your child is researching, you can look at the conference's website: [www.thimunqatar.org](http://www.thimunqatar.org) or e-mail me at [m.spiekerman@hotmail.com](mailto:m.spiekerman@hotmail.com).

Sincerely,
